James Brandon Hart

On September 22, 2007 Brandon Hart, General Manager of Topwater Grill in San Leon, tragically lost his life at the young age of 34 in a motorcycle accident. He was a resident of our Bay Area and had worked in the restaurant industry for many years.

His wife Jacqueline was also severely injured in the accident. Her numerous injuries will confine her to a wheelchair for a minimum of 6 months. She will continue to have life long medical needs. To make this tragedy even worse there are 6 beautiful children that have lost their father and their only means of financial support. This family is in need of our help.
